

Newport Central Catholic ACT Profile

Newport Central Catholic High School encourages **ALL** students to take the ACT, whether or not they meet the ACT core curriculum requirements, whether or not they plan to attend college, or are in the NCC Academic Enhancement/Special Needs program of study at NCC.

NCC students come from many “home” districts. Their composite scores meet or exceed the average ACT scores of students in the public or private school district which they would attend had they not chosen NCC.

	English	Math	Reading	Science	Composite
National averages Class of 2011 <small>From ACT website</small>	20.6	21.1	21.3	20.9	21.1
KY State averages Class of 2011 <small>From ACT website</small>	19.2	19.1	20.0	19.6	19.6
Average for all NCC students Class of 2011 <small>Best score from all tests taken. NCC calculation (as of June 2011)</small>	23.2	21.0	23.9	22.8	22.7
Average for top 25% of seniors Class of 2011 <small>Best score from all tests taken. NCC calculation (as of June 2011)</small>	29.0	25.7	29.8	27.0	27.8
