

Newport Central Catholic 2007 Kentucky Governor's Scholars

Six Newport Central Catholic Seniors attended the prestigious Kentucky Governor's Scholars Program this summer. The five-week study program provided academic and personal growth in a non-traditional experience. The program was hosted by Bellarmine University, Centre College, and Morehead State University. Students were selected on the basis of test scores from the PSAT, SAT, or ACT. Their unweighted GPA and difficulty of course load was also taken into consideration. Students submitted a writing entry and demonstrated what they have done in the areas of extracurricular activities and service.
