

NEW SCHOLARSHIP PROGRAM

Newport Central Catholic High School is proud to announce we have teamed up with the internet referral and marketing site – BusinessReferralSearch.com. Business referrals are the backbone of the site. For the business owner, the site gives them a platform to share their customer's testimonials with anyone on the internet. We here at Newport Central Catholic believe we have a very good story to tell ourselves, and want to share our parent's and alumni's testimonials with anyone searching for a quality high school education. If you would like to share your NCC experience, please go to the website www.BusinessReferralSearch.com, select "Enter/Update Referral", and enter the Customer ID# **NCC501**.

In addition to sharing our testimonials with anyone on the internet, BusinessReferralSearch.com is starting a new scholarship program. For every business that becomes a member of the website and lists NCC in the "Referral Name" cell at the bottom of the Create Business Account page, BusinessReferralSearch.com will contribute \$50 of the \$125 annual membership to the general scholarship program at Newport Central Catholic. This website gives a business owner the opportunity to market their business in a whole new way, and help families experiencing financial struggles get the quality education we provide here at NewCath.

We always appreciate the support of our families. If you are able to help us out by posting a referral, or having a business owner recognize NCC as the referrer should they join the website, we benefit greatly.

Thank you for your continued support, and God Bless You!
